Preserve Your Old Photos and Movies

Convert your memories to digital format. Your VHS videos, 8mm and 16mm movies, slides, photos, audio cassettes and reel to reel audios contain valuable memories. If you can't view these images because you don't have the right equipment or fear they are being compromised by age, you won't want to miss our digital preservation event.

On Saturday, June 17, from 11:00-1:00, the library will partner with Digital Memory Media, a leading provider of digital imaging services to provide digital preservation services to our patrons. We have worked with DMM's parent company Innovative Document Imaging to digitize Waldwick's history collection and DMM brings secure, professional preservation services to individuals at an affordable price. Items will be collected on the day of the event. Twenty percent of all proceeds will be credited to the library.

Home Delivery Now Available

The Friends of the Waldwick Library are now providing home delivery service to Waldwick residents unable to visit the library due to permanent or temporary illness or disability. Materials available for delivery include books, audio books, magazines, cds and movies. Existing loan periods are in effect for all materials.

For more information or to schedule a delivery, please call the circulation desk.
